TEAM RETROSPECTIVE

Logistics
- Once per sprint, on final day
- Facilitated by Scrum master, coach or you
- 60-90 mins
- Figure out how to increase quality, collaboration and team effectiveness

Useful questions
- How's the human connection in the team?
- What's wound you up?
- What surprised you?
- What's not being said?

Inputs
- Assumptions made
- Successes & failures
- Dependencies & blockers
- Insights from team review

Outcomes
- Improvement actions (with owners)
